

OUST ALL PURPOSE DESCALER

Page 1 Issued: 20/10/2008 Revision No: 4

1. IDENTIFICATION OF THE SUBSTANCE / MIXTURE AND OF THE COMPANY / UNDERTAKING

Product name: OUST ALL PURPOSE DESCALER Product code: OAP 01 Use of substance / mixture: 250 mL Company name: SPOTLESS PUNCH LIMITED Suite B, Knowles House Cromwell Road Redhill Surrey RH1 IRT UK Tel: +44 (0)1737 742000 Fax: +44 (0)1737 769607 Emergency tel: +44 (0)1737 742007 (office hours only) Email: consumer@spotlesspunch.co.uk

2. HAZARDS IDENTIFICATION

Classification under CHIP:	Risk of serious damage to eyes. Irritating to skin.
Workplace exposure limit:	This product does not have a workplace exposure limit.
PBT:	This substance is not identified as a PBT substance.
Directive 1999/45/EC:	This mixture meets the criteria for classification as dangerous in accordance with
	Directive 1999/45/EC.

3. COMPOSITION / INFORMATION ON INGREDIENTS

Hazardous ingredients: LACTIC ACID 30-50% EINECS: 201-196-2 CAS: 79-33-4 [Xi] R41; [Xi] R38

4. FIRST AID MEASURES

Skin contact:	Remove all contaminated clothes and footwear immediately unless stuck to skin. Wash	
	immediately with plenty of soap and water.	
Eye contact:	Bathe the eye with running water for 15 minutes. Consult a doctor.	
Ingestion:	Do not induce vomiting. Wash out mouth with water. If conscious, give half a litre of water	
	to drink immediately. Consult a doctor.	

5. FIRE-FIGHTING MEASURES

Extinguishing media:	Suitable extinguishing media for the surrounding fire should be used.	
Exposure hazards:	In combustion emits toxic fumes of carbon dioxide / carbon monoxide.	
Protection of fire-fighters:	Wear self-contained breathing apparatus. Wear protective clothing to prevent contact	
	with skin and eyes.	[cont_]

OUST ALL PURPOSE DESCALER

Page 2

 ACUIDENTIAL RELEASE MERSONES Personal precautions: Refer to section 8 of SDS for personal protection details. Turn leaking containers leak-side up to prevent the escape of liquid. Environmental precautions: Do not discharge into drains or rivers. Clean-up procedures: Absorb into dry earth or sand. Transfer to a closable, labelled salvage container for disposal by an appropriate method. Wash the spillage site with large amounts of water. 7. HANDLING AND STORAGE Handling requirements: Avoid direct contact with the substance. Storage conditions: Store in cool, well ventilated area. Keep container tightly closed. 8. EXPOSURE CONTROLS / PERSONAL PROTECTION Engineering measures: Ensure there is sufficient ventilation of the area. Respiratory protection: Respiratory protection not required. Hand protection: Rubber gloves. Breakthrough time of the glove material > 8 hours. Gloves (acid resistant). Eye protection: Traptly fitting safety goggles. Ensure eye bath is to hand. Skin protection: Protective clothing. 9. PHYSICAL AND CHEMICAL PROPERTIES State: Liquid Colour: Colouriess Odour: Characteristic odour Stability: Mater: Miscible in all proportions Relative density: 1.19 g/ml pt: 1.5 10. STABILITY AND REACTIVITY Stability: Stable under normal conditions. Materials to avoid: Storg oxidising agents. Bases. Haz. decomp. products: In combustion emits toxic fumes of carbon dioxide / carbon monoxide. 11. TOXICOLOGICAL INFORMATION 11. TOXICOLOGICAL INFORMATION Skin contact: There may be jarina and redness at the site of contact. Eye contact: There may be pain and redness at the site of contact. OUST ALL PURPOSE DESCALER

Page 3

Inhalation: No symptoms.

12. ECOLOGICAL INFORMATION

Persistence and degradability:	Biodegradable.
Bioaccumulative potential:	No bioaccumulation potential.
Other adverse effects:	Negligible ecotoxicity.
PBT identification:	This substance is not identified as a PBT substance.

13. DISPOSAL CONSIDERATIONS

NB: The user's attention is drawn to the possible existence of regional or national regulations regarding disposal.

14. TRANSPORT INFORMATION

ADR / RID

UN no: Not Classified.

IMDG / IMO

UN no: Not Classified.

IATA / ICAO

UN no: Not Classified.

15. REGULATORY INFORMATION (CHIP)

Hazard symbols: Irritant.

Risk phrases:	R41: Risk of serious damage to eyes.
	R38: Irritating to skin.
Safety phrases:	S2: Keep out of the reach of children.
	S24/25: Avoid contact with skin and eyes.
	S26: In case of contact with eyes, rinse immediately with plenty of water and seek
	medical advice.
	S39: Wear eye / face protection.
	S46: If swallowed, seek medical advice immediately and show this container or label.
Haz. ingredients (label):	LACTIC ACID
Note:	The regulatory information given above only indicates the principal regulations
	specifically applicable to the product described in the safety data sheet. The user's
	attention is drawn to the possible existence of additional provisions which complete
	these regulations. Refer to all applicable national, international and local regulations or
	provisions.

OUST ALL PURPOSE DESCALER

16. OTHER INFORMATION	
Other information:	This safety data sheet is prepared in accordance with Regulation (EC) No 1907/2006.
	* indicates text in the SDS which has changed since the last revision.
Risk phrases used in s.3:	R41: Risk of serious damage to eyes.
	R38: Irritating to skin.
Legal disclaimer:	The above information is believed to be correct but does not purport to be all inclusive
	and shall be used only as a guide. This company shall not be held liable for any
	damage resulting from handling or from contact with the above product.
